*Dear friends in Christ,*

*First of all, permit me to apologize for getting this information to you at this late date. It has been a most unusual time. The date of this retreat has been changed three times due to necessary situations – plus other factors.*

*But, often things like these situations are eloquent testimony to how necessary this time of drawing apart to open ourselves to God is at this time.*

*God calls us to himself in a time of silence and renewal to be refreshed and restored, to come to know in the silence of our hearts the many things that the Spirit would teach us – to be still and KNOW.*

*In a meditation retreat, the time is yours in whatever way that you would open yourself to God. There are no right or wrong ways of being with God at this time.*

*Sometimes we think that we do not need to go to a retreat, but will do this at home. It is good, important and necessary that we consecrate those times of Sabbath in our daily lives, at home or in our special places. But it is the testimony of so many that when one is with others who are also seeking God in the stillness of their being, there is a wonderful difference in the presence of the Spirit.*

*You are invited to share in this time of preparation and receiving the Spirit in the retreat setting at Blue Water.*

*Please prayerfully consider this invitation to join others who actively seek and welcome the presence of the Spirit in this dedicated time of renewal.*

*If you have questions, please contact us.*

*May the blessings of Shalom be yours,  
Carol*

*For your 2010 planning – Blue Water Spiritual Renewal Retreat dates are April 30-May 1 and October 22-23.*
