Apostle Stassi Cramm will be speaking at In-land this weekend and the Traverse City Congregation will be attending there as well.

Thanks to all those who have been working all week at the Park and to those who will be joining them. There are still a lot of projects needing attention, and if each family took on one small project between now and camping season...Oh what a wonderful blessing that would be. See Eleanor West at the Expo on Saturday or contact her via email at: campquality@att.net . The Park can use your help~ whether it is a little or a lot of time you have to give.

Expo on Saturday, starting at 10:00. Details are on the web site below!

Have you ever thought about becoming a "Missionary" without leaving home?

Sang Jun is from South Korea and would like to be an exchange student for the 2009-10 school year. He has also requested to be placed in a Christian Home. While in the USA he would like to participate in basketball and Soccer. Is there room in your family for him?

Many of you know that I have hosted many exchange students, 10 to be exact! I can only begin to tell you how rewarding an experience it is. To learn about another culture, as well as share your own is wonderful.

Interested in sharing and touching another's life?

Give me a call, I have all kinds of students waiting to become a part of your family!
